Hope for the Generations

ANNUAL FUNDRAISING DINNER

2017

Friday September 8th 6.30pm – 9.30pm

Please consider joining us for this very special fundraising event. More and more South Auckland whanau are at breaking point, yet hundred's of vulnerable families are being dramatically restored and empowered through the work of Te Whakaora Tangata.

We welcome you to join us for an evening of celebration, infectious hope and heartfelt stories of lives transformed and intergenerational cycles of dysfunction broken. Come and meet our team and talk to parents who have been empowered to turn their lives around so that their children, grandchildren and the generations to come, have every opportunity to reach their full potential. You'll also have an opportunity to partner with us and invest in this critical work by donating on the night.

We look forward to you joining us for what will be an unforgettable evening.

“Te Whakaora is brave enough to confront the really hard, ugly issues. They genuinely cared about how I was, how my children were doing and where they were going. Little by little I found myself in a place where I wanted to help myself. Te Whakaora literally saved my life and my children's lives. I didn't believe it was possible. I thought the life I live now was only for other people. But Te Whakaora say 'no...it's for everybody'”
[MANUREWA MOTHER]

Alexandra Park Function Centre,

Cnr Green Lane West & Manukau Road, Epsom

Dress Code: Semi-formal

Cost: No charge (a donation on the night would be appreciated).
